

The diagram illustrates the interior layout of a bus, showing 12 rows of seating. The layout is as follows:

- Top Row:** A single vertical rectangle labeled "運転席" (Driver's Seat) on the left side.
- Rows 1-11:** Each row consists of two vertical rectangles. The left rectangle is labeled with the row number (e.g., "1列目", "2列目", ..., "11列目"). The right rectangle is empty.
- Bottom Row:** A single vertical rectangle labeled "トイレ" (Toilet) on the right side.
- Entrance/Exit:** A small rectangle labeled "出入口" (Entrance/Exit) is located at the bottom left.
- Storage Area:** A small rectangle labeled "冷蔵庫" (Refrigerator) is located at the bottom left, adjacent to the entrance/exit.
